Traveling by Car:

If you are travelling by car, simply input the address in Google Maps or your GPS system to find it! You can also take Taxis, but it is not recommended as they are very expensive in Denmark and the public transport system is very efficient.

Travelling with public transport (bus and train):

You can buy tickets at all train stations – but even easier, get ready for your trip and download the app “MOBILBILLETTER”, where you can buy transports tickets on your phone:

From airport to hostel:

When you arrive in the airport, you need to buy 3 zones to travel to the hostel. You can use the same ticket all the way

1. Take the Metro from the airport (its called M2). Don't worry which one you take, they all go the same way, but make sure it's the **METRO!**
2. Take 8 stops (around 13 minutes) and get off at **Kongens Nytorv**.
3. Here you will have to make your way from the M2 & M1 area to the M3 & M4 area. If you are unsure, ask around, its easy and people are very nice at helping. You need to find the metro M3 that goes via *Østerport*. You go 5 stops (around 11 min) and get off at **SKJOLDS PLADS**.
4. Now you just have to walk 500m up north (up the road called *Tagensvej*) and you will find the hostel.

From airport to tournament place (groundmoves, 3v3 and 1v1 final):

If you are coming straight to the tournament from the airport you should follow this guide! You also have to buy a 3 zone ticket, which you can use the whole way!
