

ACCOMODATION

All about where to stay in Copenhagen!

So you are planning to come to Pannahouse Invitationals, but you need to figure out where to stay! Well here's the good news, if you are planning early there is a good chance we have a great deal for you!

Player Hostel

The official player hostel is at A&O Hostel (goo.gl/maps/5q8dS6rhXXqtxbN97) like last year. We have secured and prepaid for 50 beds (in dorms) at a very reasonable price:

1 bed 15/08-18/08 (3 Nights): 150€ in total (50€ per night), including breakfast and sheets

EARLY BIRD (BEFORE 1st of JULY): 130€ IN TOTAL ONLY!

You will probably not find a cheaper place in Copenhagen, so if you want one of these beds book fast! Deadline for booking is **the 1st of July**. After, we will open up booking for registration for **non-players** also. Booking closes when we are full. If you are a non-player and want to book earlier, you can do so directly at www.aohostels.com – there is still space as of April 2024.

If you want to stay at the player hostel you need to register as a player. The event registration is here: <https://worldpannachamps24.events.mygameday.app/>

If you don't want to play, but still would like to stay at the player hostel, please inquire via DM. Your payment will then go through PayPal or bank transfer: _

Air B'n'B:

Players have previous years had success with booking Air B'n'Bs where you stay in private homes close to the tournament. If you use www.airbnb.com, then please book a place that is in the area Nørrebro, Nordvest or Frederiksberg for easiest access to the tournament.

Other hostels:

Other hostels that we can recommend are:

Danhostel: www.danhostel.dk , you should choose either Bellahøj or Copenhagen City. Please refer to a map to see how far they are from the player hostel and tournament location (check arrival document).

Otherwise, Google will be your friend ©

Youth Options:

Youth players will have to find accommodation the same way as adult players. We advise youth players to come to the tournament with an adult guardian.

If you bump into any other problems with accommodation or need any help don't hesitate to contact us:
